# ITEAMSXTREME

A GSSM OUTREACH EXPERIENCE

## Become A Technology ROCK STAR!

Sharpen your technology skills this summer through one of two tracks:

### Arduino & Robotics

Explore the world of computational thinking and microcontrollers using Arduino technology and robotics. Learn how to program your very own microcontrolled robot and pit it against other students' robots in camp wide competitions such as Maze Runner and Robot Wars.

### Game Design

Explore the world of game design as you create and play 2D and 3D multiplatform games in camp wide competitions.

### WHO

Rising 6th, 7th, & 8th Graders

### DATES AND LOCATIONS

Each camp location serves approximately 40 students

8:30 AM - 4:00 PM  
Monday - Thursday

#### Charleston County

June 21-24  
Palmetto Scholars  
Academy

#### Georgetown County

July 12-15  
Georgetown Middle  
School

#### Darlington County

June 21-24  
GSSM

#### Orangeburg County

June 28-July 1  
Orangeburg-Wilkinson  
High School

### COST

Due to the generous support and sponsorships from businesses, individuals, and foundations, students who are accepted and enrolled in the program will receive a full scholarship (\$200 value) that covers the camp fee.

SOUTH CAROLINA GOVERNOR'S SCHOOL FOR  
**SCIENCE+  
MATHEMATICS**
