Purpose

This manual is designed as a guide to allow principals to reflect on their leadership practices. Monthly activities aligned to PADEPP Standards and are structured to provide information to assist and support with effective leadership. Additional support documents can be found in the appendices.
TEAM WORK

It's all very well to have courage and skill
And it's fine to be counted a star,
But the single deed with its touch of thrill
Doesn't tell the man you are;

For there's no lone hand in the game we play,
We must work to a bigger scheme,
And the thing that counts in the world to-day Is,
How do you pull with the team?

They may sound your praise and call you great,
They may single you out for fame,
But you must work with your running mate
Or you'll never win the game;
Oh, never the work of life is done
By the man with a selfish dream,
For the battle is lost or the battle is won
By the spirit of the team.

You may think it fine to be praised for skill,
But a greater thing to do
Is to set your mind and set your will
On the goal that's just in view;
It's helping your fellowman to score
When his chances hopeless seem;
It's forgetting self-till the game is o're
And fighting for the team.

Curriculum & Instruction Priorities

Leadership- Guiding Expectation: Individualized instructional leadership support to school leaders

School Climate: Mission, Vision, and Core Values  
(PADEF: 1, 4)

April–August
How do I learn/respect the school history and culture while building relationships?

Review April – August

• Offer “meet and greet” small–group meetings with key stakeholders. Listen and gather background information regarding what is working well and points of pride. Share enthusiasm for the future. Ask staff what traditions and instructional practices are fundamental to the success of the school. What makes them proud to be a staff member? What suggestions do they have for improvements?

• Meet individually with staff members to begin developing relationships and learn what type of support is wanted/needed from the school and/or leaders.

• Reassure the staff that you are an advocate for students, teachers, and the community. Strategically plan for small wins on day one, week one, and ongoing, based on what you learn.

• Establish routines that demonstrate high visibility. Have yououred your community and made plans to attend key events?

• Establish routines that demonstrate open and approachable leadership.

• Review climate and engagement surveys for trends, history, and points of pride.

• Refrain from making hasty decisions or changes. Listen and learn.

• Consult with Director before instituting change. Proceed with caution; less is more.

• Write positive notes to individual staff, parents, and community/business leaders.

• Monitor the cleanliness of your buildings/campuses with custodial staff.

September–December
How do I ensure my actions cultivate a positive and safe learning environment?

Review September – December

• Highlight/celebrate key findings and strengths related to staff performance, instruction, student achievement, student behavior, student attendance and parent/community perceptions.

• Collaborate and network with the community and staff to develop and provide rich parent-involvement opportunities. In what ways are the community and families involved in the school? How can this be enhanced?

• Ask open-ended questions and encourage a variety of opinions. Welcome new or differing ideas.

• Build on existing rewards and recognition plans to celebrate successes.

• Support the Multi-tiered system of support (MTSS) process. Support enrichment and extended learning opportunities.

• Collaborate with appropriate personnel to meet the needs of students, staff, and parents.

• Address behavior expectations and consequences in a calm, fair, and consistent manner. How are you promoting student leadership and high levels of student engagement?

Model and provide positive working conditions. How are you working with all building leaders/teachers/custodian, department chairs, to ensure continuity of a positive climate across the school? Climate begins and ends with YOU.

• Facilitate grade-level, department, and various team meetings in order to know the people, know the work, and know the needs.

• Have required postings in classrooms to promote a relevant print rich environment.

January–April
What processes are in place to connect and engage all stakeholders in shared decision making?

Review January – April

• Gather needs-assessment data from a variety of sources: teams, individuals, departments, committees, PTA, School Council, business leaders, etc.

• Make natural connections between the current needs and what you have learned regarding school history and culture. Be respectful of the past.

• Use teams to make recommendations for school wide goals and initiatives. Involve many stakeholders.

• Consult with Director before instituting change. Proceed with caution; less is more.

• Remain visible and approachable.

• Continue building personal relationships with individuals. Try to get to know personal things about your staff (e.g., children, hobbies, and spouse).

• Collaborate and network with the community and staff to develop and provide rich parent-involvement opportunities. In what ways are the community and families involved in the school? How can this be enhanced?

• Consider communication methods (newsletter, website, phone calls, etc.) that will be used to communicate with stakeholders.
Operations- Guiding Expectation: Effective Communication and Service

Operations and Organizational Management (PADEP: 3)

April–August
How do I effectively organize and plan to demonstrate proactive decision-making and efficient operations?

Review April – August
Review the budget with the bookkeeper/Director of Schools. Ask about various funding sources—Title I, grants, athletic, per pupil, local funds.

Develop regular schedules for leadership teams and department heads (i.e., student support services, attendance)

Ensure that all staff members have access to necessary summer staff development. Are staff members who are in new positions taking essential training/courses to ensure their effectiveness?

Review the school organizational practices that are in place without making immediate changes.

Watch your enrollment carefully. (If it looks like you will be gaining or losing personnel points, begin making plans to review the options.)

Delegate duties and responsibilities for all school processes and initiatives as applicable (i.e., attendance).

Review registration plans: both summer registration and August registration.

Review and make needed changes to crisis management plan and safety plan. Meet with SRO to review school plan and facility. Share these plans with all stakeholders.

Meet with custodial staff to plan for summer cleaning and schedule.

Meet with front office staff to determine work summer schedule.

Meet with leadership team, PTA, and School Council to make calendar updates.

September–December
What tools, processes, and policies are in place to ensure a safe, secure, and orderly facility and grounds?

Review September – December
Review fiscal records regularly to ensure accountability for all funds.

Monitor priorities relative to programs, planning, class size etc.

Seek input and share in management decisions from stakeholders.

Ensure that office staff and all singleton positions (Technology Coordinator, counselors/social worker, APs, etc.) are cross-trained, and that a backup plan is in place.

Meet contractual obligations in a timely manner. Oversee and ensure that all direct reports are meeting obligations in a timely manner as well.

Develop a system for timely, consistent, and effective responses to all stakeholders.

Work with PTA/Booster Clubs to ensure that the MOAs are renewed by October 1, per the three yearsccle for the clusters.

Review procedures for safety drills/fire drills evacuation plan. How would you reunite parents with students during a crisis situation? If a crisis occurs during dismissal, how would you provide assistance for a bus seeking shelter? What processes would be unique in situations where the students belong to another campus? Have you reviewed the plan with your Director? How will you communicate with parents during a crisis?

January–April
Are the procedures in place effective?

Review January – April
Review Acceptable Use Policy and Reporting Procedures

Review the procedures for student laptops devices in reference to collecting and storing them.

Review Student Activity balances to ensure that the year-end balances are within guidelines.

Review fiscal records regularly to ensure accountability for all funds.

Review forecast numbers to make sure projections are reasonable.

Review the schedules and make necessary changes. Survey key stakeholders when considering changes to under-stand the reasoning behind current schedules and processes.

Work with PTA/SIC to ensure that the PTA board/officers election processes are in place and that the timeline is followed.

Work with current School Improvement Council to ensure that election processes are in place and that the timeline is followed.

Review procedures for Statewide Emergency Drill.

Seek input and share in management decisions.

Meet contractual (Title, MOAs, etc) obligations in a timely manner. Oversee and ensure that all direct reports are meeting obligations in a timely manner as well.

Review procedures for safety drills/fire drills evacuation plan.
Life Long Learning- Guiding Expectation: Job-Embedded Professional Development and Staffing

Meaningful Professional Capacity of School Personnel (PADEP: 9)

**April–August**  
**How do I support a highly-certified staff?**

**Review April – August**

Review all Letters of Concern and/or Improvement Plans for the past school year and read all Professional Development Plans for the upcoming year. Plan who will monitor the progress and how will it be documented.

Review staff members who may be ready for teacher leadership within the school. **What opportunities are available?**

Plan communication with returning employees to build excitement for the approaching year. Share details regarding calendars and schedules, continuing priorities and initiatives.

Ensure the evaluation process is on track or complete for all employees. Adhere to timelines from Human Resources.

Gather certification information for all staff. **Are all staff members certified in current positions?**

**Based on the current staffing plan, what vacancies need immediate attention?**

Throughout the summer, compare your staff allocation roster and local school roster to ensure accuracy.

Prepare a welcome back letter to all stakeholders to include staff, students and parents.

Work with your Director and HR regarding the hiring process and access to electronic tools/databases for hiring certified and classified staff.

Plan communication with new employees to welcome and to share mentoring and professional learning plans, orientation details, benefit information, etc.

**September–December**  
**What processes are in place to ensure the current and future staffing plans support increased student progress?**

**Review September – December**

Work with your Director and Human Resources to adjust staffing plans, as needed, due to enrollment changes. Plan communication with stakeholders.

Use student academic data and teacher observation data to plan continued professional learning.

Provide support for teachers needing assistance to meet expectations.

Provide challenges for those needing growth opportunities/teacher leader-ship.

Review formative and summative data by individual teacher, teams, grade levels, and total school.

Discuss results with the administrative team. **Do the staffing assignments support increases in student achievement? What requires a closer look?**

Use the evaluation process to continue building teacher capacity and document actions.

Compare enrollment and Full-Time Equivalent (FTE) employees to prior year. Consider ways to maximize funding with future staffing plans.

Learn about what is in place to encourage regular and prompt employee attendance.

Meet regularly with classified staff to determine their effectiveness in assigned duties.

Keep staff evaluations/support as a central part of administrative team meetings.

**January–April**  
**How do I retain, recommend, and induct staff, based on school needs?**

**Review January – April**

Follow the teacher evaluation process and timeline to conduct mid-year and final evaluation conferences. Finalize Professional Development Plans and Letters of Direction.

Use all available data to make recommendations for contract renewals.

Submit names to your Director and to Human Resources Staffing personnel for possible non-renewal consideration, if needed.

Gather information on staff preferences, instructional needs, and community expectations in preparation for a new staffing plan.

Use your personnel allotment and all other available information to work with the administrative team, Human Resources Department, and Director on a draft staffing plan for the next year.

Work with your Human Resources staffing director on the transfer and hiring process and upcoming job fairs.

Review results of intent forms; submit request for new personnel or program to Human Resources Staffing Director and Director.

Review plans for April-August regarding welcoming, mentoring, and communicating with new and existing employees.

Elementary & Secondary Manual | 9
April–August  
**How do I ensure that our school and staff work within professional and ethical guidelines to meet all local, state, and federal requirements?**

**Review April – August**

Model respect, sensitivity, professional appearance, demeanor, and confidentiality.

**Review and provide orientation to all staff on Board Policies**

Review the current staff handbook for background information. Make notes of areas to discuss/review.

Review the current professional learning plan. Make notes on what is working well.

Create a communication plan for frequent updates/reminders on policies, procedures, and guidelines.

Model and maintain clear expectations for professional duties and responsibilities.

Meet contractual obligations in a timely manner. Oversee and ensure that all direct reports are meeting obligations in a timely manner as well.

September–December  
**In what ways do my actions demonstrate the importance of professional learning?**

**Review September – December**

Demonstrate professional knowledge by remaining current with district initiatives, priorities, research, educational trends, and best practices.

Participate in local, district, and other professional learning in order to support the continued learning of the school.

Work in a collegial manner with all stakeholders to promote the importance of the vision and mission.

Model and maintain clear expectations for professional duties and responsibilities.

Provide time and resources for staff to participate in professional learning aligned to school goals/priorities.

Demonstrate the importance of continued learning by offering and leading study teams, peer observations, book studies, and collaborative planning.

Work collaboratively with cluster and system leaders.

Encourage innovation to improve student learning.

Model respect, sensitivity, professional appearance, demeanor, and confidentiality.

Meet contractual obligations in a timely manner. Oversee and ensure that all direct reports are meeting obligations in a timely manner as well.

January–April  
**What processes are in place to evaluate the effectiveness of professional learning and provide leadership for research-based trends and practices?**

**Review January – April**

Evaluate the quality/delivery of each professional learning opportunity during the year through surveys and focus groups.

Monitor the implementation of professional learning strategies through frequent observations and feedback.

Evaluate the impact of professional learning strategies by measuring student growth. Do you have evidence of growth in student achievement based on your school data and examining student data?

Involve stakeholders (including data teams) in the use of all available information. Evaluate the overall effectiveness of professional learning. Make recommendations for future learning.

Draft a new professional learning plan that will be adjusted when end-of-year data is available.

Continue to encourage innovation in learning.

Model respect, sensitivity, professional appearance, demeanor, and confidentiality.

Model and maintain clear expectations for professional duties and responsibilities.

Meet contractual obligations in a timely manner. Oversee and ensure that all direct reports are meeting obligations in a timely manner as well.
School Community - Guiding Expectations:

Teachers: Instruction is visibly personalized, engaging and informed by data.

Students: Students are involved in and take ownership for their own learning and behavior.

Environments: All activities, services and programs are evaluated through the lens of access and equity.

Guiding Practice Job-Embedded Professional Development Continued:

Meaningful Professional Capacity of School Personnel

April–August
What reflections do you want to share with various employees as you conduct end-of-year conferences?

Review April–August
Ensure that summative conferences have been held on all certified employees.

Ensure that all classified employees’ evaluations have been completed.

Prepare evaluation cycle and evaluation assignments for the next school year.

Identify ways to reward/recognition staff.

Read/review Professional Development Plans (PDP) that will be in place for the upcoming school year.

Conduct pre-evaluation conferences with certified staff and Assistant Principals in August. Communicate with teachers and Assistant-Principals that the orientation regarding their goals

Ensure CERDEP plan is in place, especially for substitute teachers.

Maintain daily visibility in classrooms to monitor instruction.

Ensure that all administrators have completed or updated credentialing for the evaluation process.

Ensure the evaluation process is on track or complete for all employees. Adhere to timelines from Human Resources

Discuss ongoing evaluations and concerns during your weekly administrative meetings.

September–December
Does your observation feedback promote continued learning and provide for celebrations?

Review September – December
Assistant Principals will review their PD School Improvement Plans to determine alignment with school improvement goals. Review certified staff goals as well.

Ensure that two brief evaluations are conducted on all teachers with specific feedback provided for improvement. Aim for completion by the end of October.

Orangeburg County School District
Virtual Meeting Norms

Essential Question-Why are virtual meeting norms necessary?

To establish and maintain a high quality level of professionalism by modeling for our students and local stakeholders the expectations. All professional educators are expected to adhere to these guidelines when engaged in virtual staff meetings, professional development, or instructional activities.

1. Log onto meeting at least 10 minutes prior to the start of meeting to address any technology issues.

2. Mute your microphone upon entering the meeting room.

3. Turn your camera on and be visible throughout meeting.

4. Dress professionally

5. Refrain from sidebar conversations and activities (remain engaged, attentive, and alert).

Please note: Virtual meetings will follow all expectations as face to face meetings. Remember, meetings are recorded and when on-line we are exposed to the World Wide Web.

Communication Protocol

Essential Question- Why is it necessary to have communication protocols established within a school district?

ACCOUNTABILITY: (This alleviates going to the wrong person/department and establishes the appropriate chain of command to resolve concerns). Principals are required to contact their appropriate director in the event they need to leave their building, arrive late, or will be absent. Enter absences in iVisions when appropriate.

New Principal Transitional Process

Rationale (The Why)
In order to provide continuous and high-quality services to each school's community as principals leave, newly appointed principals will work with outgoing principals and district leaders to develop an understanding of the school community, climate, culture, student achievement results, instructional programs, operations, processes, school plans, and initiatives. As a result, Orangeburg County School District has designed a standard transition process to ensure system-wide processes and procedures among all departments.

Purpose
- To develop a systematic onboarding process for principals new to the district or position to transition into their newly appointed school;
- To demonstrate a commitment to our schools that we ensure a thoughtful, effective transition is in place that respects the achievements and traditions of the administrative team, teachers, and students of the school community receiving new leadership;
- To ensure a seamless transition is executed and to establish a foundation for future success for the newly appointed administrator; and
- To abreast current principals of the district’s established best practices and procedures that relate to the overall effective operation of schools.

Goal
Having a systematic process for assisting newly appointed and experienced principals to have the proper knowledge and support to be successful and place more emphasis on teaching and learning. This document supports the district’s goal of growing capacity for individual and system-wide productivity to accomplish our mission.

How to use this tool
- Directors of Schools will provide principals with an overview of the guide.
- The guide provides a process and serves as an organizer to support effective leadership practices by identifying established standards and timeframe of appointments.
- Monthly Checkpoints are included and serve as a tool to support intentional planning.
Responsibilities of the Outgoing Principal (change over meeting schedule to review)

Review and provide copies of the following:

- School calendar, master schedule, meeting schedule
- Current and past School Improvement Plans with results, conclusions and explanation of process
- Achievement data, including: standardized, formative, College and Career Ready Performance Index, etc.
- Enrollment projections and demographics
- Staffing allotment, assignments, recommendations
- Current and projected vacancies; hiring process
- Title I budget, funded personnel if applicable
- Evaluation results of staff members
- Personnel issues, Professional Development Plans, Staff Improvement Plans, etc.
- School initiatives and professional learning plans
- Organization of duties for administrators, counselors and teachers
- School organization, committees, leaders
- Key leaders (staff, PTA, school council, boosters, faith based) contact information
- School Report Card Narrative
- PTA minutes/initiatives, School Council notebook
- Internal/external communication plans, newsletters, website
- Printed list of updated school contact database
- Faculty/staff and student handbooks and revision process
- Discipline, attendance and SPED plan
- Safety plans, fire drill/evacuation maps, emergency off-site agreement
- Building security codes, safe combination, keys
- Facility map, maintenance plans, building plan Emergency after-hours numbers
- Staff contact list with addresses and phone numbers
- Phone system, voice mail, and intercom manuals
- Budget, P-card/check signing card
- Plan for summer responsibilities and office coverage
- Outstanding work orders and/or encumbered purchase orders
- Plans for summer school, credit recovery, promotion/retention, graduation
- History of special events/traditions regarding holidays, gifts, breakfasts, American Education Week, etc.
Complete the following:

- Plan transition of computer, laptop, tablet, and phone.
- Ensure the Technology Support Technician sets up the principal’s computer with appropriate icons, databases (screen shot of principal’s desktop), etc.
- Plan for summer responsibilities and office coverage.
- Master schedule, class lists and processes
- Update employee roster submit payroll authorizations for incoming and outgoing employees.
- Introduce the new principal to PTA Executive Board, School Council, school resource officer, bus supervisor, maintenance and grounds staff.
- Review vendor contracts for pictures, beverage and snack machines, etc.
- Work with Executive Director of Schools for a fair and equitable distribution of time during transition
Leaders, do not remove any technology equipment, furniture, etc. from the school unless you received approval from your Director.

New Principal Meet and Greet Protocol
Each newly appointed principal will be introduced by the Director of the school to which the principal has been appointed. The outline below serves as a structured guide and emphasizes the "elevator speech" of the new principal to the school community.

I. Introduction
   a) Professional background
   b) Philosophy of education
   c) Vision for school

II. Means of Communication
   a) Newsletters
   b) School Messenger system (automated phone calls, texts)
   c) Emails
   d) Website

III. Student Expectations for Learning

IV. District Initiatives
   a) Parental involvement
   b) Community partnerships
   c) Student engagement

1. Speak factually not speculatively.
2. Provide general information without going into too many details.
3. Do not allow questions.
4. Effectively communicate the meet and greet occasion to all stakeholders in a timely manner. Plan for no more than 30 minutes face-to-face and 20 minutes virtually.
