

Orangeburg County School District
GATE Program Application
2020-2021

Explanation:

The main goal of the elementary/middle school gifted program is to provide students with an all-encompassing educational experience. A challenging academic program promotes high levels of student effort and achievement through the use of accelerated teaching strategies, critical and creative thinking skills, problem solving, hands-on activities, and incorporation of technology across the curriculum. Students develop individual responsibility in a program that emphasizes the link between academic achievement and future opportunity. These efforts result in a community of peers who value scholarship and academic achievement.

Who Should Apply?

Applicants must live in an area zoned for Orangeburg County School District. Students in the GATE program must be able to do **ABOVE GRADE LEVEL** work. They should learn quickly and retain knowledge well as indicated by high standardized test scores. **Ambition and motivation to excel are absolutely necessary in order to succeed in this program.**

Acceptance and Dismissal:

Acceptance into the program will be based on state criteria. Trial Placement in the GATE program is for one year. Decisions concerning continuation are based on classroom performance, test scores, and any other potential data.

All application forms are due to your child's school or in the Gifted Office in Cope on or before Friday, October 2, 2020.

INCOMPLETE APPLICATIONS WILL NOT BE REVIEWED.

A complete application will include the following:

1. **Completed application form**
2. **Two teacher recommendations** – Both recommendations must be from **current** teachers. At least one recommendation must be from the math or language arts teacher. Elementary students may use current exploratory teachers for their second recommendation.
3. **A copy of the year-end report card** – This information will be requested from schools by the Gifted and Talented office.

Parents/Guardians will be notified in writing if their child has met the criteria for admission into the program.
